

Assignment #4: User Stories and Design Diagrams

NaBrO (Sodium Hypobromite)

Sarah George

Brandon Jones

Rajdeep Bandopadhyay

Noah Trenaman

Manvith Krishna Kandukuri

User Stories

1. As a person with dietary constraints (vegan or vegetarian), I want to find a good replacement for particular foods that meet my nutrient goals.
2. As a student, I want to find easy ways to incorporate more nutrients into my diet.
3. As an athlete, I want to track my macronutrient intake in order to help maintain my muscle mass.
